NURSERY BRANCH, (UDAIPUR)

HOLIDAY ACTIVITY (2019-20)

CLASS- UKG

Dear parents,

Summer vacations for the children are synonymous with fun, frolic, playing for longer hours, picnics, exploring new places, waking & sleeping late.

Children are quick enough to get into a holiday mood and equally quick to forget what they have learnt in school and that is why we have planned some activities to keep the little ones occupied and channelize their energies as well as enhance their learning abilities. Kindly ensure that the holiday fun activities are completed by the student under your guidance .

### **Be a smart seedlite**

Encourage your ward to :-

- Spell & write his/her own name.
- Be well mannered say hello, thank you, sorry, please.
- Put his/her things back in place eg. toys , books etc.
- Learn to wear his/her own socks & shoes.
- To button & unbutton their own shirt.
- To improve your child's listening skills read to your child age appropriate stories .

Use TV as an educational tool and watch programmes on Discovery kids, animal planet or watch child appropriate programmes with your child. Discuss what you see together.

### **Raise your childs self esteem.**

- Children have a right to our time, the right to make mistakes.
- Make your child a decision maker by giving him/her the ability to solve problems by giving them choices to choose from.
- If you want your ward to be independent then do give him/her age appropriate independence.
- Adopt a style of positive discipline , praise when he/she is good.
- Accept your child as he / she is, do not compare.
