ACADEMIC CURRICULUM

Seedling The World School is a school that provides a high quality standard of education in a supportive and friendly environment.

The curriculum at Seedling The World School is based upon the progressive programmes starting with Cambridge Primary, Cambridge Lower Secondary and moving to IGCSE, AS & A level in the senior years. The integrated international programmes ensure a smooth transition through the years of schooling and provide the opportunity for students to succeed in a stimulating, externally validated and highly respected world-class educational programme.

EDUCATION PROFESSIONALS

Our highly qualified and motivated teaching staff actively engages students in the learning process. Our teachers are "facilitators " or "mentors" who have an unquenchable thirst for knowledge and are committed to creating an environment conducive to learning. Well versed in pedagogy with an exposure to international education system, they are proficient in activity based teaching. We implement an ongoing programme of professional development through workshops and seminars provided both by local and international experts.

INTERACTIVE TEACHING METHODOLOGY

The school has SMART CLASSES which enable effective classroom management and help to improve the overall academic performance of students. We encourage students to think independently, take initiative and participate actively in the learning process. Students are encouraged to ask questions and research into the possible answers. This helps students to see different points of view and to push the boundaries of their thoughts and knowledge.

GAMES AND SPORTS

Academics serve the purpose of nourishing the mind but a healthy mind resides in a healthy body. Vast expansive grounds and experienced well-qualified faculty provide for a variety of individual and team sports which include basketball, cricket, soccer, badminton, skating etc.. The indoor sports activities include yoga, aerobics, chess, table tennis and carrom.

LEADERSHIP OPPORTUNITY

Empowering students to take leadership roles is a core aspect in the philosophy of the school. The effort is to draw out the inherent leadership traits, develop each student's individuality & entrepreneurial spirit in order to discover their potential.

COMMUNITY SERVICE

The school offers ample opportunities for participation in community service. This inculcates human values making the children mentally, emotionally & physically strong to face the challenges of the world while having a compassionate heart.

COUNSELLING

The school provides psychological as well as subject/career counselling. The counsellor supports the students in selecting subjects in grade 9 (IGCSE) and then helps them in university placements as they begin with AS & A Levels.

The school hosts Education Expo where universities from across the globe are invited to guide about admission procedures & scholarships.
