### Consolidated Practise Worksheet

Session: 2019-2020

Name: \_\_\_\_\_ Subject: GP Grade: IV Roll No: \_\_\_\_\_ Date: \_\_\_\_\_

1. Read the following extract and answer the following question:

On a Diwali evening, a firecracker shop accidentally caught fire. Rudra, who was playing in the neighbourhood, got burnt severely. His parents had to immediately take him to the hospital in a bigger city for treatment. Unfortunately, his father was short of money at that moment and could not pay the hospital bill. Fortunately, his relatives sent him a money order and his bank too came to his rescue. Back home, the police and the fire brigade had brought the situation under control. After that incident, a youth organization in his neighbourhood took up the initiative to spread awareness regarding safety of people living in a neighbourhood having shops possessing inflammable substances.
